

LECTURE SERIES

Mathematical Science Literature

November 13, 2020

8:00am ET- *Virtually*

Edward Witten

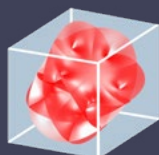

Institute for Advanced Study

"Knot Invariants From Gauge Theory in Three, Four, and Five Dimensions"

I will explain connections between a sequence of theories in two, three, four, and five dimensions and describe how these theories are related to the Jones polynomial of a knot and its categorification.

Talk chair: Cliff Taubes

This lecture will be held virtually.
